Michael Friant

Angel Friant

Rick Russell

Absent: Commissioner Shane Rogers

1. Meeting was called to order at 7:20 p.m.
2. Motion to approve minutes from previous meeting by Jonathan Newberry, second by Marilyn Bowers. Motion passed.
3. Public input not on agenda: none
4. Other business not on agenda: There have been some issues with the water at Tennessee Marble Company. They have had some pipes that burst due to too much pressure. Mayor Lawhorn said that the city is not responsible for the damage. He also mentioned problems with the Vinegar Valley pump station that needed to be addressed. The telemetry system has been down, and has caused problems with the tanks. It needs to be repaired as soon as possible. There also needs to be some improvements to the garage, including insulation in the roof. Jonathan Newberry suggested having the water department write up a list of priorities that need to be addressed, and taking care of them in order of importance.

5. Discussion:

Water loss: There was 24% water loss for the month of June.

New customers/taps/finals: There were 18 new customers, 2 new taps and 14 finals last month.

6. Motion to adjourn by Mike Bailey, second by Jonathan Newberry. Motion passed. Meeting was adjourned at 7:40 p.m.
